# Tartantastic Fly-In Special Edition

## Chairman's Welcome

*Welcome to the Tartantastic Fly In. On behalf of Fife Flying Club and Tayside Aviation. I hope you enjoy your visit to our lovely little airfield. In order to make your visit as enjoyable and safe as possible we've pulled together some of the most pertinent points in this special edition of our almost regular newsletter.*

*We're hoping for an action packed day of flying with some great prizes to be won. However, the fun doesn't have to stop when the flying finishes so if you're planning on staying over then please join us for an evening of socialising and home made entertainment.*
